

NTRS Recommended Rabbit Veterinarians

We only recommend the Vets named below - we don't have knowledge of other Vets who may work in the same clinic. We **DO NOT** recommend that you use a Vet that is not listed below.

Emergency room vets often do not know how to treat rabbits. Call before going for emergency treatment.

EMERGENCY CLINICS

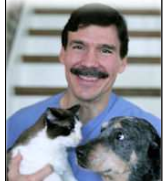

For evening and weekend medical treatment of rabbits:

Emergency room Vets often do not know how to treat rabbits. Please call ahead and make sure the recommended Vets are working that night. Otherwise use Animal Emergency Hospital of North Texas and confirm that a **Rabbit Vet** is on duty.
